Upon the surrender for transfer of this Agreement, the Registrar shall complete the Schedule of Transferees attached hereto as Exhibit D with the name, address and tax identification number of the transferee Registered Owner, the date of the transfer and the outstanding principal balance of the Purchase Price as of the date of transfer; provided, however, that if there is any conflict between the information set forth in Exhibit D hereto and the registration books maintained by the Registrar, the information shown on such registration books shall control.

The County and the Registrar may deem and treat the person in whose name this Agreement is registered upon the books of the County maintained by the Registrar as the absolute owner of this Agreement, whether any payments hereunder shall be overdue or not, for the purpose of receiving payment of, or on account of, the Purchase Price and interest thereon and for all other purposes, and all such payments so made to any such Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon this Agreement to the extent of the sum or sums so paid, and neither the County nor the Registrar shall be affected by any notice to the contrary.

For every registration of transfer of this Agreement, the County or the Registrar may make a charge sufficient to reimburse themselves for any tax or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such transfer as a condition precedent to the exercise of the privilege of registering such transfer.

**SECTION 3.3. Mutilated, Lost, Stolen or Destroyed Agreement.** In the event that this Agreement is mutilated, lost, stolen or destroyed, the County and the Registered Owner (as then shown on the registration books maintained by the Registrar) shall execute a substitute for this Agreement having the same terms as that of this Agreement mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Agreement, such mutilated Agreement shall first be surrendered to the Registrar, and, in the case of any lost, stolen or destroyed Agreement there shall be first furnished to the County and the Registrar evidence of such loss, theft or destruction satisfactory to the County and the Registrar, together with indemnity satisfactory to each of them in their sole discretion. The County and the Registrar may charge the Registered Owner requesting such new Agreement their expenses and reasonable fees, if any, in this connection. If after the delivery of such substitute Agreement, a bona fide purchaser of the original Agreement (in lieu of which such substitute Agreement was issued) presents for payment such original Agreement, the County and the Registrar shall be entitled to recover such substitute Agreement from the person to whom it was delivered or any other person who receives delivery thereof, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor or otherwise to the extent of any loss, damage, cost or expense incurred by the County and the Registrar in connection therewith.

(a) The County is a body politic and corporate and a political subdivision of the State.

(b) The County has the necessary power and authority to acquire the Development Rights, to enter into this Agreement, to perform and observe the covenants and agreements on its part contained in this Agreement and to carry out and consummate all transactions contemplated hereby. By proper action, the County has duly authorized the execution and delivery of this Agreement.

(c) This Agreement has been duly and properly authorized, executed, sealed and delivered by the County, constitutes the valid and legally binding obligation of the County, and is enforceable against the County in accordance with its terms.

(d) There are no proceedings pending or, to the knowledge of the County, threatened before any court or administrative agency which may affect the authority of the County to enter into this Agreement.

SECTION 4.2. Representations and Warranties of the Original Seller. The original Seller makes the following representations and warranties with respect to herself, but not with respect to any transferee Seller:

(a) The Seller has full power and authority to execute and deliver this Agreement and the Deed of Easement, and to incur and perform the obligations provided for herein and therein. No consent or approval of any person or public authority or regulatory body is required as a condition to the validity or enforceability of this Agreement or the Deed of Easement, or, if required, the same has been duly obtained.

(b) This Agreement and the Deed of Easement have been duly and properly executed by the Seller, constitute valid and legally binding obligations of the Seller, and are fully enforceable against the Seller in accordance with their respective terms.

(c) There is no litigation or proceeding pending or, so far as the Seller knows, threatened before any court or administrative agency which, in the opinion of the Seller, will materially adversely affect the authority of the Seller to enter into, or the validity or enforceability of, this Agreement or the Deed of Easement.

(d) There is (i) no provision of any existing mortgage, indenture, contract or agreement binding on the Seller or affecting the Land, and (ii) to the knowledge of the Seller, no provision of law or order of court binding upon the Seller or affecting the Land, which would conflict with or in any way prevent the execution, delivery, or performance of the terms of this Agreement or the Deed of Easement, or which would be in default or violated as a result of such execution, delivery or performance, or for which adequate consents, waivers or, if necessary, subordinations, have not been obtained.

(e) There exist no liens or security interests on or with respect to the Land (other than Permitted Encumbrances), or such liens or security interests will be released or subordinated to the Development Rights.

The Seller acknowledges that any false statement in such subsections could be punished by fine, imprisonment or both.

ARTICLE V

PROVISIONS RELATING TO EXCLUSION  
OF INTEREST FROM INCOME FOR FEDERAL INCOME TAXATION

SECTION 5.1. Intent of County and Tax Covenant of County. The County intends that the interest payable under this Agreement shall not be includible in the gross income of the Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code. Accordingly, the County shall not knowingly take or permit to be taken any other action or actions or omit or fail to take any action, which would cause this Agreement to be an "arbitrage bond" within the meaning of Section 148 of the Code, or which would otherwise cause interest payable under this Agreement to become includible in the gross income of any Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code.

SECTION 5.2. Acknowledgment of Seller with Regard to Tax Consequences of Transaction. The Seller has received an opinion from Miles & Stockbridge P.C., Bond Counsel, dated the date hereof, to the effect that under existing laws, regulations, rulings and decisions, interest payable under this Agreement is not includible in the gross income of the Seller for federal income tax purposes, which opinion assumes continuous compliance with certain covenants in the Tax Certificate and Compliance Agreement to be executed and delivered by the County on the date of delivery of this Agreement and is otherwise limited in accordance with its terms. The Seller acknowledges that they have made their own independent investigation and have consulted with attorneys, accountants and others selected by the Seller in the Seller's sole discretion with respect to all other tax considerations related to the transaction contemplated hereby (including, but not limited to, installment sales treatment under Section 453 of the Code, charitable contribution deductions under Section 170 of the Code, and federal estate tax implications); and the Seller certifies that the Seller has not looked to or relied upon the County or any of its officials, agents or employees, or to Bond Counsel, with respect to any of such matters.

ARTICLE VI

THE REGISTRAR

SECTION 6.1. Appointment of Registrar. The Treasurer of the County, is hereby designated and appointed to act as Registrar for this Agreement.

SECTION 6.2. Change of Registrar and Appointment of Successor Registrar. The County shall have the right, subject to the terms of any agreement with the Registrar, to change the Registrar at any time by filing with the Registrar to be removed, and with the Registered Owner, an instrument in writing. Notwithstanding the foregoing, such removal shall not be effective until a successor Registrar has assumed the Registrar's duties hereunder.

SECTION 6.3. Qualifications of Successor Registrar. Any successor Registrar shall be either (a) the Treasurer of the County, (b) an officer or employee of the County, or (c) a bank, trust company or other financial institution duly organized under the laws of the United States or any state or territory thereof which is authorized by law and permitted under the laws of the State to perform all the duties imposed upon it as Registrar by this Agreement.

1  
2       SECTION 6.4. Successor by Merger or Consolidation. If the Registrar is a bank, trust  
3 company or other financial institution, any institution or corporation into which the Registrar  
4 hereunder may be merged or converted or with which it may be consolidated, or any corporation  
5 resulting from any merger or consolidation to which the Registrar hereunder shall be a party or  
6 any institution or corporation succeeding to the corporate trust business (if any) of the Registrar,  
7 shall be the successor Registrar under this Agreement, without the execution or filing of any  
8 paper or any further act on the part of the parties hereto, anything in this Agreement to the

45 the payment for the Development Rights. In addition, this Agreement shall survive the execution  
46 and recording of the Deed of Easement in all respects and shall not be merged therein.

**DEED OF EASEMENT**

THIS DEED OF EASEMENT made this \_\_\_\_\_ day of \_\_\_\_\_, 200\_\_\_\_,  
by and between \_\_\_\_\_, parties of the first part,  
Grantor, and HARFORD COUNTY, MARYLAND, party of the second part, Grantee.

**Explanatory Statement**

A. The County Council of Harford County, Maryland enacted Bill No. 07-05, as amended, which created a new Article II, Agricultural Land Preservation Program, to Chapter 60, Agriculture, of the Harford County Code, as amended, for the purpose of establishing the Harford County Agricultural Land Preservation Act (the "Act") to preserve productive agricultural land and woodland which provides for the continued production of food and fiber for the citizens of the County; and

B. By authority of the Act, the Grantee may purchase development rights and family conveyances from agricultural landowners by subjecting the property to be purchased to an agricultural preservation easement restricting these rights and conveyances in perpetuity in the manner more specifically provided in the Act; and

C. The Grantor is the fee simple owner of the hereafter described parcel(s) of land located in Harford County, Maryland and desires to sell and convey to the Grantee an agricultural preservation easement to restrict such land to agricultural use in accordance with the Act and as hereinafter set forth; and

D. Bill No. \_\_\_\_\_, passed by the County Council of Harford County, Maryland on \_\_\_\_\_, approved by the County Executive on \_\_\_\_\_ and effective \_\_\_\_\_, authorizes Harford County, Maryland to purchase development rights and family conveyance in up to \_\_\_\_\_ acres of agricultural land from \_\_\_\_\_.

E. The Grantor is a "Landowner" as defined in Section 60-10 of the Act.

NOW, THEREFORE, in consideration of the sum of \_\_\_\_\_ Dollars (\$\_\_\_\_\_) and other valuable consideration, the receipt of which is hereby acknowledged, the Grantor does hereby grant and convey to Harford County, Maryland, as Grantee, its successors and assigns, an agricultural preservation easement, together with and subject to the covenants, conditions, limitations and restrictions hereafter set forth so as to constitute and equitable servitude thereon, in, under and over the parcel(s) of land situate in \_\_\_\_\_

\_\_\_\_\_ Harford County, Maryland and being more particularly described in Exhibit A attached hereto.

AND, FURTHER, together with all transferable development rights in accordance with the provisions of Section 267-34(D)(4) of the Code of Harford County, Maryland, and all family conveyances in accordance with the provisions of Section 267-34(D)(3)(d) of the Code of Harford County, Maryland.

AND the Grantor covenants for themselves, and for their respective heirs, personal representatives and assigns, with the Grantee, its successors and assigns, to do and refrain from doing upon the above-described land all and any of the various acts hereafter set forth, it being the intention of the parties that said land shall be preserved solely for the agricultural use as defined in and in accordance with the provision of the Act, and hereafter set forth are intended to limit the use of the above-described land and are deemed to be and shall be construed as covenants running with the land.

#### COVENANTS, CONDITIONS, LIMITATIONS AND RESTRICTIONS

Subject to the reservations hereinafter contained and except as otherwise provided herein, the Grantor, for themselves and their respective heirs, personal representatives and assigns, covenants and agrees with Grantee as follows:

A. The above-described land may not be developed or otherwise used for other than agricultural use (as defined in the Act).

B. The above-described land shall be maintained in agricultural use or properly managed so that it is available for continued agricultural use from the date of the recording of this instrument among the Land Records of Harford County.

C. At the time of establishment of the easement hereby granted, a soil and water conservation plan as prepared by the Soil Conservation District shall be implemented and maintained with respect to the above-described land.

D. To not allow any type of residential subdivision, other than that outlined in the easement as owner/child lots and to limit the utilization of the above-described land to Agricultural Uses as defined in the Agricultural Land Preservation and Purchase of Development Rights Program and including those uses contained in Section 267-43(F) of the Harford County Zoning Code, as amended.

E. The construction of new buildings or structures on the above-described land, other than farm buildings that did not exist at the time of the establishment of the within easement, is contingent upon the written application to and approval by the Department of Planning and Zoning, subject to review by and recommendation of the Agricultural Land Preservation Advisory Board.

F. Subject to the provisions of paragraphs G and H hereof:

1. The Grantor may at any time hereafter request a two (2) acre or less lot exclusion for the exclusive residential use of the Grantor. Such request (a) must be made by letter provided to the Department of Planning and Zoning verifying the Grantor's intention to live in a dwelling situate within any lot so excluded; (b) shall be subject to review and recommendation of the Agricultural Land Preservation Advisory Board; (c) the use and occupancy permit must be in the name of the owner/grantor; and (d) the owner's lot may not be sold or transferred for a period of five (5) years from the date of issuance of the use and occupancy permit except in the event of the death or legal incompetence of the owner or if the lot is part of bankruptcy proceedings; or with approval of the Department of Planning and Zoning, subject to review and recommendation of the Agricultural Land Preservation Advisory Board. Upon such request and recommendation of the Agricultural Land Preservation Advisory Board, Grantee shall execute and deliver to Grantor, his/her personal representatives, successors and assigns, an instrument in recordable form releasing such lot from the force and effect of this Deed of Easement and all covenants, conditions, limitations and restrictions herein set forth.

2. The Grantor may at any time hereafter request the right to construct, use and occupy a tenant home on the above-described land in accordance with the conditions established within Section 267-26(D) of the Harford County Zoning Code, as amended. Such request (a) must be made by letter provided to the Department of Planning and Zoning and (b) shall be subject to review and recommendation of the Agricultural Land Preservation Advisory Board. The tenant house shall not be subdivided off of the easement property.

Upon such request and recommendation of the Agricultural Land Preservation Advisory Board, Grantee shall execute and deliver to the child, his/her personal representatives, successors and assigns, an instrument in recordable form releasing such lot from the force and effect of this Deed of Easement and all covenants, conditions, limitations and restrictions herein set forth.

G. The exclusion of lots pursuant to the provisions of paragraph F above from the force and effect of this Deed of Easement and all covenants, conditions, limitations and restrictions herein set forth shall be subject to the following conditions:

The maximum size of any lot so excluded may not exceed a maximum lot area of two (2) acres, including within such area all Harford County right-of-way requirements unless waived by the Director of Planning, with the review and recommendation of the Agricultural Land Preservation Advisory Board; and

3. The Grantor requesting lot exclusion shall be required to repay the County for each lot so excluded in an amount equal to the amount paid per acre by Harford County to the Grantor to acquire the above-described land plus all costs associated with the establishment of such lot.

H. The rights reserved to the Grantor under paragraph F to request a lot exclusion shall be deemed a personal covenant only, and one that is not intended to run with the land and shall belong only to, and may be exercised only, by the Grantor named in this instrument.

I. The Grantor and all future landowners of the said property reserves the right to use the above-described land for any agricultural use as defined in the Agricultural Land Preservation and Purchase of Development Rights Program and including those uses contained in Section 267-43(F) of the Harford County Zoning Code, as amended, and further reserves all other rights, privileged and incidents to the ownership of the fee simple estate in the above-described land not hereby conveyed or otherwise limited by the covenants, conditions, limitations and restrictions herein set forth.

J. This instrument shall not be deemed to provide for or permit public access to any privately owned land except for periodic inspections by the Grantee.

K. The easement conveyed to the Grantee for the parcels of land described in Exhibit A is based upon \_\_\_\_\_ acres.

The Grantor further covenants that the Grantor has not done or suffered to be done any act, matter or thing whatsoever, to encumber the property hereby conveyed; that Grantor will warrant specially the property interest hereby conveyed; and the Grantor will execute such further assurances of the same as may be required.
